## EVENT REPORT

Saturday, June 3, 2023

First Parish Dorchester

**THANK YOU FOR CELEBRATING** a decade of shifting the way we fundraise to uplift the values of interdependence, abundance, and sustainability. To the host committee and the volunteers who have made this celebration possible, thank you for your labor. To the sponsors and donors, thank you for your investment in the future we deserve. And to the members of our partner organizations, thank you for your bold vision and for the sweat and tears with which you have watered it.
